

## Delivery Information and Rates Schedule. Effective March 2017

Whereabout Supply has an extensive delivery area. Deliveries in the Greater Sydney, Melbourne and Brisbane areas are done using a combination of our own fleet of trucks and selected Courier and Freight companies. For fast efficient deliveries Australia wide we use a combination of National Carriers such as Toll, Fastway Couriers or Australia Post. For your convenience and simplicity our delivery areas and flat rate charges are outlined below. Delivery Rates are based on a 20kg consignment. Industry cubic conversation rates may apply to some consignments (i.e. large light items are rated at 200kg per cubic metre). Quoted delivery rates exclude GST. Delivery schedules and times may vary in outlying areas. Extra charges may apply for items deemed flammable or dangerous goods.
